USING YOUR ITEM BANK

GradeMaker Pro has advanced tools for constructing and publishing your tests:

AUTO-TEST CONSTRUCTION

With advanced search criteria allowing you to construct customised exam papers in minutes.

WHOLE PAPER AUTHORING

Tools which also support authors who want to write a whole paper of questions in one go.

INSTANT TYPESETTING

Preview and export your tests with our automatic and customisable typesetting feature.

TEST PLAYER INTEGRATION

Our modular, standards based system enables you to export questions to your prefered test player.
